## SAFETY DATA SHEET (SDS)

Section 1. Identification				
Product identifier Countertop in a Box, Part A				
Recommended use and restrictions on use   Floor Coating				
Initial supplier identifier PPI Tech, 2700 W. Cumberland Street, Building 5, Lebanon, PA 17042				
	Emergency telephone number/restriction on use CHEMTREC® 1-800-262-8200			
Section 2. Hazard				
Classification of hazardous product (name of the category or subcategor	y of the hazard class)			
Acute toxicity, oral (Category 4)				
Acute toxicity, dermal (Category 4)				
Acute toxicity, inhalation (Category 4)				
Skin corrosion/irritation (Category 1C)				
Skin corrosion/irritation (Category 2)				
Reproductive toxicity (Cat/gory 2)				
Hazardous to the aquatic environment, long-term hazard (Category 1)				
Information elements (symbols, signal words, hazard statements and pre-	cautionary statements of the catego	ry/subcategory)		
Warning				
H302 Harmful if swallowed.				
H312 Harmful if in contact with skin.				
H332 Harmful if inhaled.				
H314 Causes severe skin burns and eye damage				
H315 Causes Skin irritation.				
H361 Suspected of damaging fertility or the unborn child.				
H410 Very toxic to aquatic life with long lasting effects				
Prevention				
P203 Obtain, read and follow all safety instructions before use. P260 Do				
dust/fume/gas/mist/vapors/spray. P264 Wash hands/nails/face/eyes thorough				
product. P271 Use only outdoors or in a well-ventilated area. P273 Avoid	release to the environment. P280 W	ear protective gloves/protective		
clothing/eye protection/ face protection.				
Response				
IF SWALLOWED: P301 + P317 Get emergency medical help. P330 Rinse mouth. P331 Do NOT induce vomiting.				
IF ON SKIN: P302+P361+P354 Take off Immediately all contaminated clothing. Immediately rinse with water for several minutes. P317 Get				
emergency medical help. IF SKIN IRRITATION occurs: P332 + P317 Get emergency medical help. P362 + P364 Take off contaminated clothing				
and wash it before reuse.				
IF INHALED: P304 + P340 Remove person to fresh air and keep comfortable for breathing. P316 Get emergency medical help immediately. IF IN EYES: P305 + P354 + P338 Immediately rinse with water for several minutes. Remove contact lenses if present and easy to do. Continue				
· · · ·	minutes. Remove contact lenses if p	resent and easy to do. Continue		
rinsing.				
P318 If exposed or concerned, get medical advice.				
P391 Collect spillage				
Storage P405 Store locked up				
P405 Store locked up.				
Disposal	al magional or notional as sub-			
PS01 Dispose of contents/container into sale container in accordance with lo	P501 Dispose of contents/container into safe container in accordance with local, regional or national regulations.			
Other hazards known None	Other hazards known None			
Section 3. Composition/Information on Ingredients				
Chemical name (common name/synonyms)	CAS number or other	Concentration (%)*		
Polyoxypropylene triamine	39423-51-3	30-50 %		
Other products		30-60%		
Benzyl Alcohol	100-51-6	1-10 %		
Denzyr meonor	100-51-0	1 10 /0		

\*Statement - This safety data sheet provides concentration range(s) instead of the actual concentration(s) considered trade secret(s)

T 1 1 4	Section 4. First-Aid Measures		
Inhalation	IF INHALED: If overexposure remove person to fresh air and keep comfortable for breathing. If not breathing, give artificial		
	respiration or give oxygen by trained personnel. If symptoms persist, seek medical attention. Give artificial respiration ONL if breathing has stopped.		
Ingestion	IF SWALLOWED: Call a doctor if you feel unwell. If spontaneous vomiting occurs, have victim lean forward with head down		
	to avoid breathing in of vomits. Rinse mouth thoroughly with water. Never give anything by mouth to an unconscious person.		
<b>G1</b> • • •	Do not use mouth-to-mouth method if victim ingested the substance.		
Skin contact	IF ON SKIN: Remove contaminated clothing, wash immediately with soap and water (20 - 30 minutes). If symptoms persist, seek medical attention. Wash contaminated clothing before reuse.		
Eye contact	IF IN EYES, Rinse cautiously with water for several minutes (20 - 30 minutes). Remove contact lenses, if present and easy to		
	do. Continue rinsing. If eye irritation persists: Get medical attention.		
Most important	symptoms and effects (acute or delayed) Harmful if swallowed. Harmful if in contact with skin. Harmful if inhaled. Causes severe skin burns and eye damage. Causes Skin irritation. Suspected of damaging fertility or the unborn child.		
Indication of im	mediate medical attention/special treatment In all cases, call a doctor. Do not forget this document.		
	Section 5. Fire-Fighting Measures		
Specific hazards	s of the hazardous product (hazardous combustion products)		
Do not allow run	-off from fire fighting to enter drains or water courses.		
	suitable extinguishing media		
	se water, dry chemical, regular foam extinguishing agent, spray.		
	ve equipment and precautions for fire-fighters		
	tating/toxic fumes may be generated. Do not enter fire area without proper protection. Firefighters should wear proper protective		
equipment as req			
	Section 6. Accidental Release Measures		
	tions, protective equipment and emergency procedures		
	nergency personnel. Isolate the area and prevent access. Control source of the leak. Ensure clean-up is conducted by trained		
	All persons dealing with clean-up should wear the appropriate protective equipment (See Section 8). Prevent the spill spread into		
	vater supplies, or soil. Eliminate all ignition sources (no smoking, flares, sparks or flames in immediate area). All equipment used		
	ne product must be grounded. Do not touch or walk through spilled material.		
	aterials for containment and cleaning up		
area. Do not touc from all watercou	exposure. Stop leak if you can do it without risk. Spill should be contained with inert material and disposed into suitable retaining h or walk through spilled material. Small volumes of liquid may be contained or absorbed into an appropriate absorbent. Keep away irses. Do not flush down storm or sanitary sewer. Take precautionary measures against static discharges. Dispose of in accordance		
with local, provin	cial and federal regulations.		
Precautions for	Section 7. Handling and Storage		
Obtain, read a dust/fume/gas/m	and follow all safety instructions before use. Do not breathe dust/fume/gas/mist/vapors/spray. Avoid breathing ist/vapors/spray. Wash hands/nails/face/eyes thoroughly after handling. Do not eat, drink or smoke when using this product. Use r in a well-ventilated area. Avoid release to the environment. Wear protective gloves/protective clothing/eye protection/ face		
	afe storage, including any incompatibilities		
Store in a cool, ignition. Store a damaged. Storag	well-ventilated area. Keep container closed when not in use. Do not handle or store near open flames, heat or other sources of way from incompatible materials (Section 10). Inspect all incoming containers to make sure they are properly labelled and not ge area should be clearly identified, clear of obstruction and accessible only to trained personnel. Keep away from heat/hot open flames and other ignition sources. Inspect periodically for damage or leaks. Storage temperature: 16 - 27 °C.		
parto, c	Section 8. Exposure Controls/Personal Protection		
Control parame	ters (biological limit values or exposure limit values and source of those values)		
	ACGIH – TLV CAS 100-51-6 TWA 10.000000 ppm		
	gineering controls		
	vell-ventilated areas. Do not spray the product. Local exhaust ventilation system is recommended to maintain concentrations of		
	ow exposure limits. Supply emergency safety/quick-drench shower, eyewash station and washing facilities available in work area		
	g area. Where such systems are not effective, wear suitable personal protection equipment which performs satisfactorily and		
meets recognized			
Individual prote	ection measures/personal protective equipment		
	gloves or equivalent; Clothing: Shirts with long sleeves, long pants; Respiratory: Use a NIOSH approved respirators if the		
hands/nails/face	re unknown; Equipment: Safety glasses, chemical resistant. Special instructions for protection and hygiene: Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Practice good personal hygiene after using this e and wash contaminated work clothing before re-use. Educate and train employees in the safe use and handling of this product.
